Dear Rajni,

On behalf of PHILLIPS Programs for Children & Families, thank you for the grant received on March 29, 2019. Your donation of \$2,500.00 is greatly appreciated and vital to our programs' success.

PHILLIPS' occupational and physical therapists endeavor to increase a student's ability to access his educational curriculum as fully as possible by identifying adaptations and/or solutions to gross motor, fine motor, self-care, visual motor, and sensory processing barriers in the educational setting. PHILLIPS School~Fairfax's sensory room is now even more equipped to serve those students who need physical therapy.

Fifty years ago, our founder, E. Lakin Phillips, expressed the core belief that underlies all that we do when he said, "Our society should be judged by its concern for the quality of life for all its members without exception." I know that you also believe in social justice. The PHILLIPS faculty and staff are deeply committed to the children and families we serve. While others may have given up on them, we have not. As we continue our work to improve the lives of those we serve, I am truly grateful for your continued support.

PHILLIPS is a nonprofit 501(c)(3) organization. Our Tax ID number is 54-0833311. No services or goods were received in exchange for this donation.

Sincerely,

Piper Phillips Caswell
President and CEO

Thank you for your generous and meaningful support.
