Dear Ms. Vandana Narang:

We thank you and the CHEC Foundation for selecting Sahasra Deepika as a grant recipient.

Sahasra Deepika's houses and educate 80 underprivileged girls at our Institute in Bangalore. From kindergarten to 10th the girls attend Deeksha High School, owned by Sahasra Deepika. In addition, we have 20 senior girls in colleges across the city, being supported until completion of their education. The costs of education, care, maintenance and enhancement of the infrastructure are supported by contributions from donors – individual and corporate.

One of the key components in our residential program is providing healthy, nutritionally balanced meals for our girls. Daily servings of milk and fruit are an essential part of their diet. CHEC's grant of \$2000 will support the daily requirement of milk and fruit for the 80 girls at Sahasra Deepika Institute, for one year.

We immensely appreciate your gesture. A copy of our trust deed is attached. Please let us know if you require any other details.

Thanks and best regards,

Vijaya L. Ramakrishna
