Letter of Request

Dear Mr. Goel,

As discussed with you, we currently have five children with cancer who are in need of financial support. We considered providing partial support (of USD 2000 each) to FIVE children rather than full sponsorship to one or two.

If you and CHEC Foundation agree with this concept, I am providing details for these patients herewith.

Please find attached along with formal letter of request also basic details of the five patients recommended.

We thank you and CHEC foundation for your generous contribution towards cancer treatment of pediatric cancer patients. You are truly a ray of hope for their families.

While making the transaction please do mention the patient's are under treatment with us in the Pediatric Department under (Dr Gauri Kapoor) and Hospital CR No. also.

Please find attached bank details for fund transfer.

Once bank transfer is done do share the transfer details -as it will help us track the payment.

Yours sincerely,
