Happy Holidays!!

Dear Vandana and Trustees of the Children's Health and Education Charitable Foundation,

I hope this letter finds you all well and safe.

Thank you for your most recent gift of \$5,500.00 on 11/19/2020 in support of the *Holy Cross Health Center in Germantown*. Your commitment to Holy Cross Health is nothing short of remarkable and we are grateful that you are a partner in our important work.

Your gift enabled Holy Cross Health to purchase the *Vision Screener 3000* for our pediatric Health Center patients in Germantown. With this purchase, our providers will now be able to screen for vision acuity at an earlier stage. It provides them with the full spectrum of information to make early diagnoses and refer them to the appropriate specialists. Your Foundation is helping us address health disparities and inequities in uninsured and underinsured children through early vision intervention.

Every day, Holy Cross Health makes a difference in the lives of our most vulnerable community members by providing them with quality patient and family-centered health care. Your support enables us to fulfill our mission for a healthier community and we appreciate that you have joined us once again in our efforts.

We are so grateful for your generous and continued support to Holy Cross Health, it means the world to us especially during such challenging times. If I can be of help in any way, please feel free to contact me by phone at 301-754-7101 or email at [eric.miller@holycrosshealth.org](mailto:eric.miller@holycrosshealth.org).

With a grateful heart,

A handwritten signature in black ink, appearing to read 'Eric N. Miller'.
